

## **Liberty County School System Career Fair**

The Second Annual Liberty County School System Career Fair will be held on Saturday, February 27, 2010 from 9:00 a.m. until 12:00 p.m. at the Board of Education located at 200 Bradwell Street. Resumes and applications will be accepted for classified and certified positions throughout the district for the 2010/2011 academic year. Free parking is available for participants.

Historical Hinesville is situated along the beautiful Georgia coast convenient to many popular tourist attractions. Located next to Fort Stewart, the largest military base east of the Mississippi River, from the coastal hammocks to the piney woods, this is the ideal place to call home. New homes, grand openings of local businesses and great weather make our community one that should be at the top of your list. Serving approximately 11,000 students, Liberty County Schools offers cutting edge technology along with ongoing professional development for staff.

We encourage applicants for certified positions to bring packets containing the following documents: professional resume; copy of valid teaching certificate(s); copy of unofficial transcript(s) and a copy of test scores. Administrators representing each of our 14 schools and several department directors will be available to meet with applicants, accept resumes and answer individual questions during the event.

Applicants for classified positions to include but not limited to food services, grounds crew, maintenance, custodians and substitute teachers should bring copies of their resume along with any documentation that they feel is relevant to their area(s) of interest. Like most other districts in the state, we are always in need of school bus drivers. CDL training is provided free of charge to applicants who meet the district's rigorous requirements.

If you are interested in exploring career opportunities with the district but are unable to attend, I encourage you to visit the Liberty County School System website at [www.liberty.k12.ga.us](http://www.liberty.k12.ga.us).
